What is your wish for your future?

- To have a happy life with my best friends and one guy for me.
- To become a radiologist.
- To make it through school.
- To be a movie star.

"I Wish I Was A Senior"

The one thing that ties together the members of the Freshman, Sophomore, and Junior classes is their desire to one day become a SENIOR. From the first day of ninth grade until the night that the class above them walks across the stage, the one thought in each student's mind is simply, "Man, I can't wait until I'm a Senior!!" Of course, it is not until they themselves have graduated that they can fully understand just how great it was to be an underclassman.

Best Band Ever Fielded

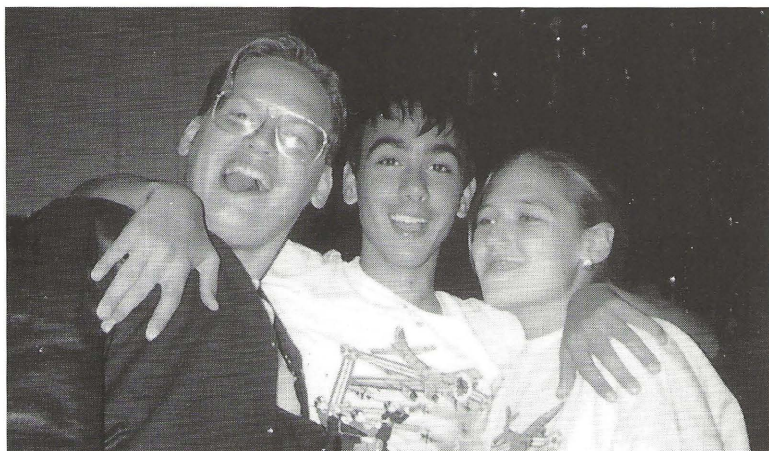

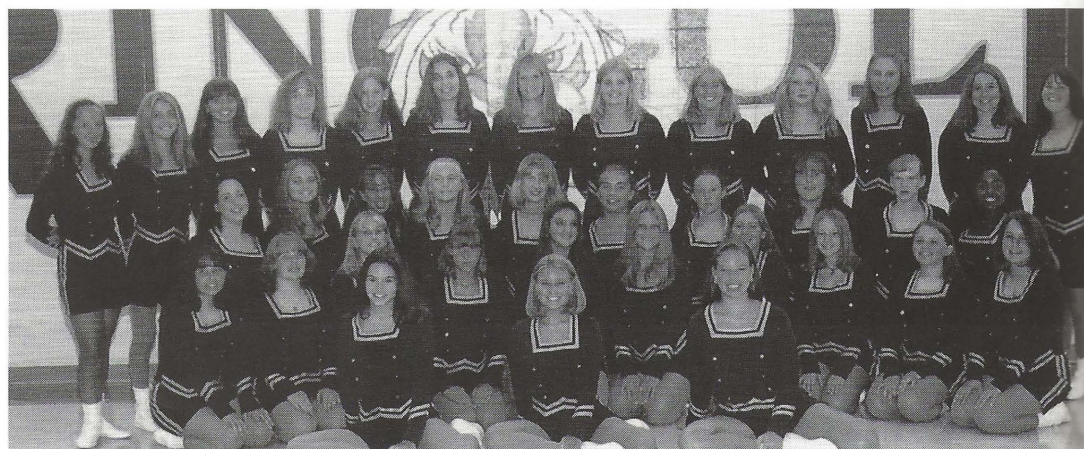

The RHS Marching Tiger Band was there throughout the football season, supporting the Tigers as they fought on the field. They also represented our school well in various competitions throughout the fall. Thanks for another great year!!

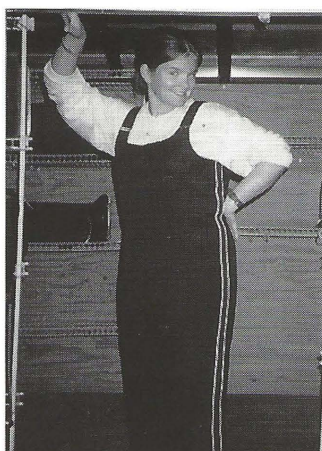

Our band is made up of many different types of people with one thing in common — they all have a desire to make our band the best.

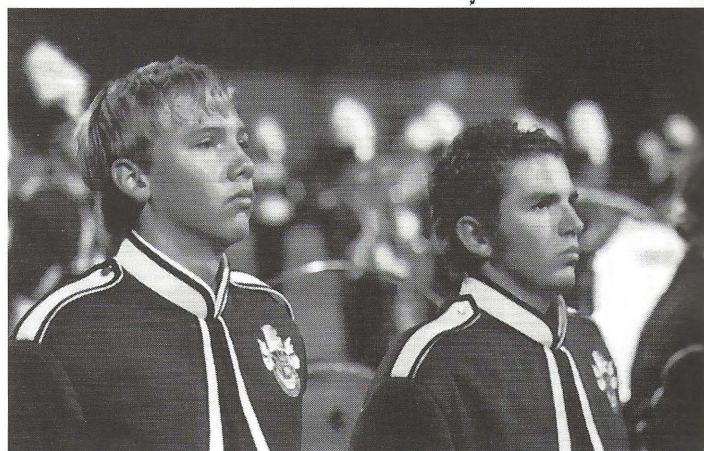

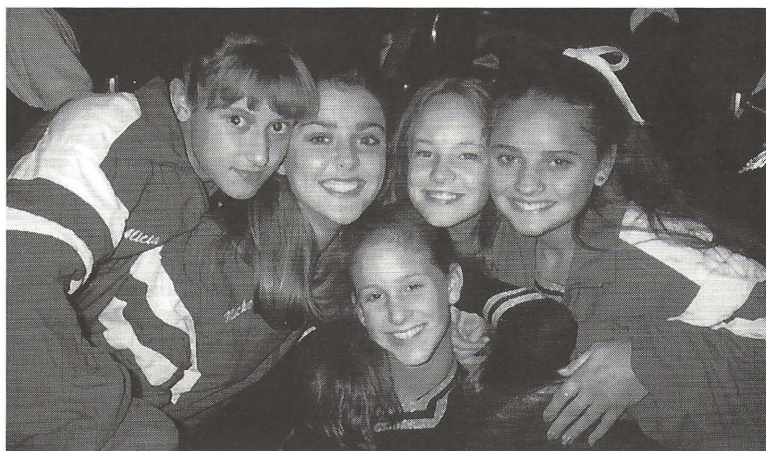

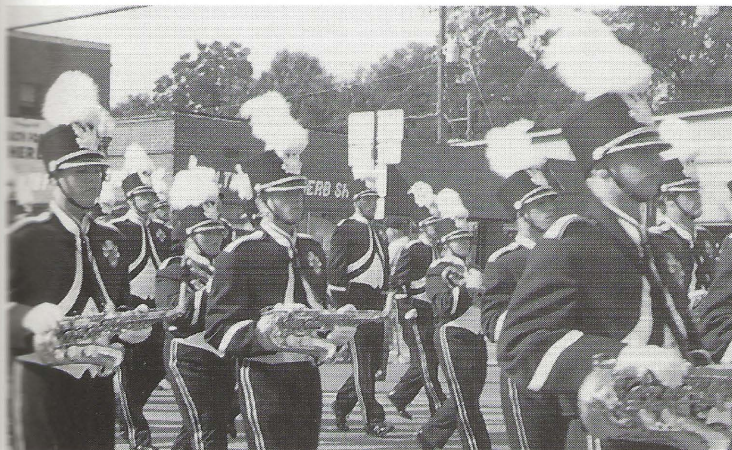

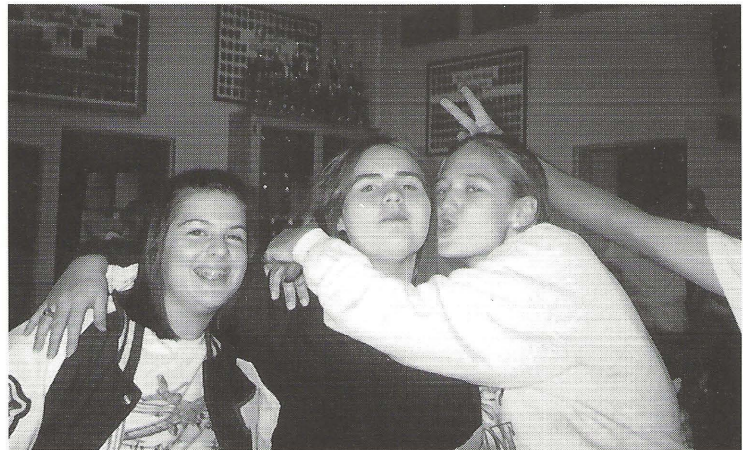

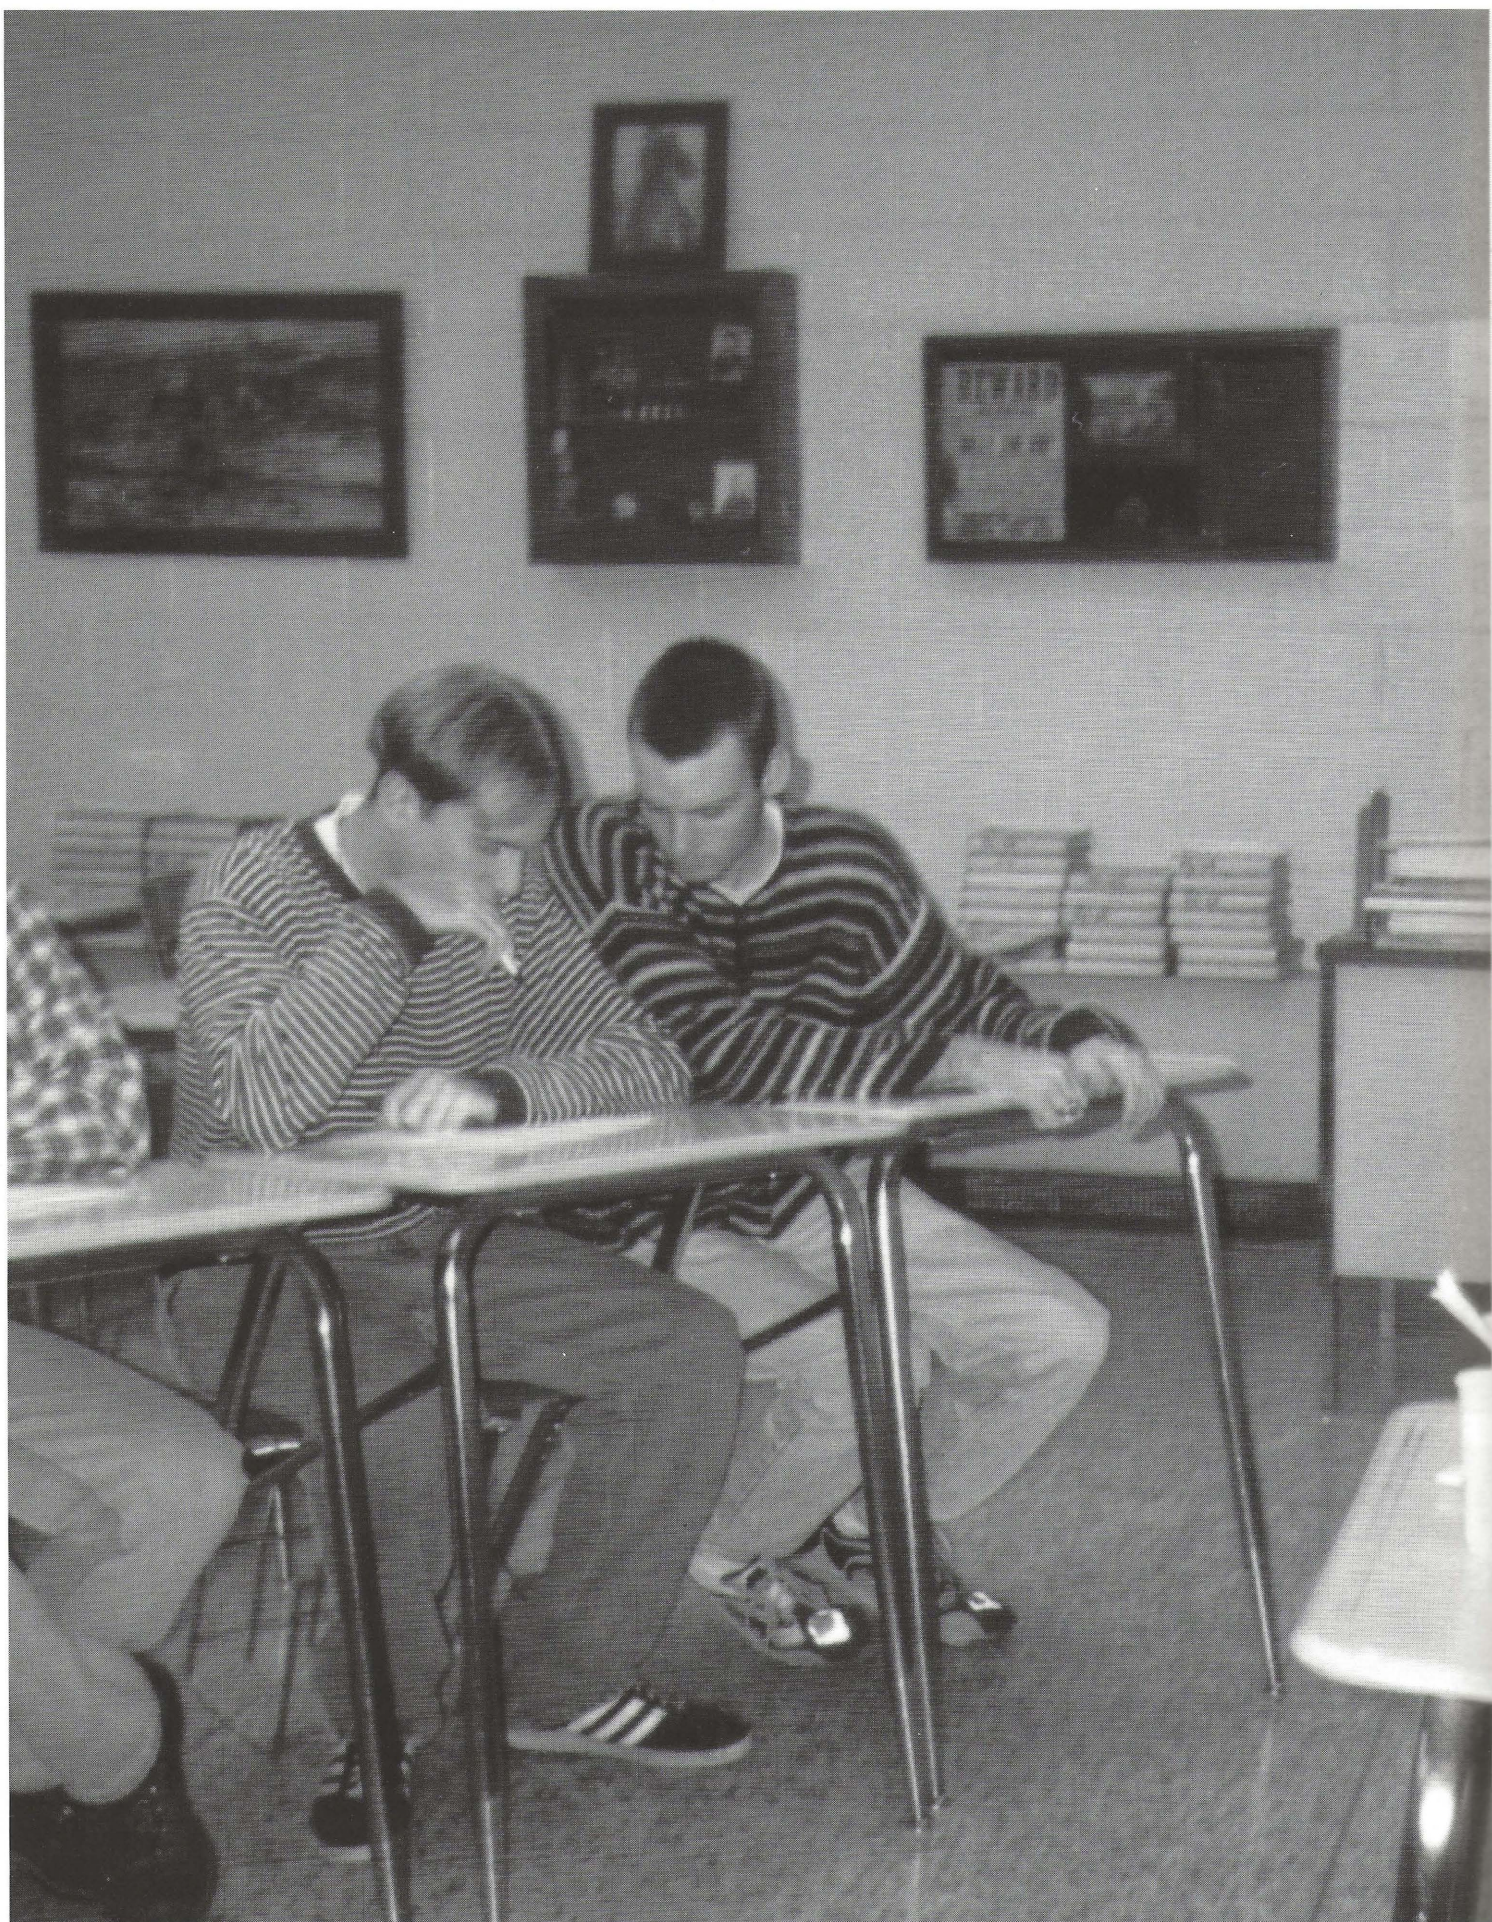

While
performing great
music,
Ringgold's band
still makes time
for some fun.

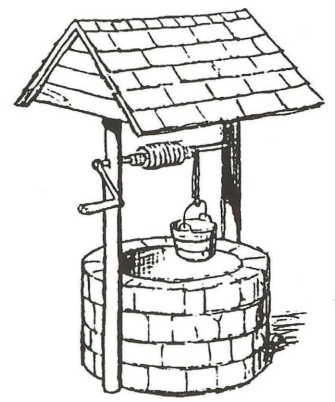

What else can
we say??? We
have one great

Valentine's Day . .	100
Special Olympics	
.	102
Prom	104
Musical	108
Homecoming	112

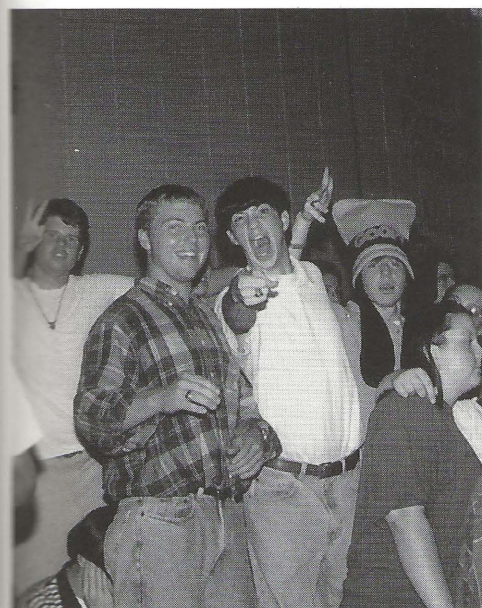

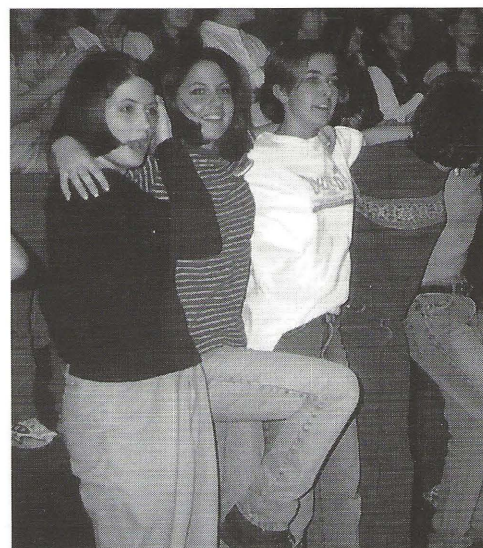

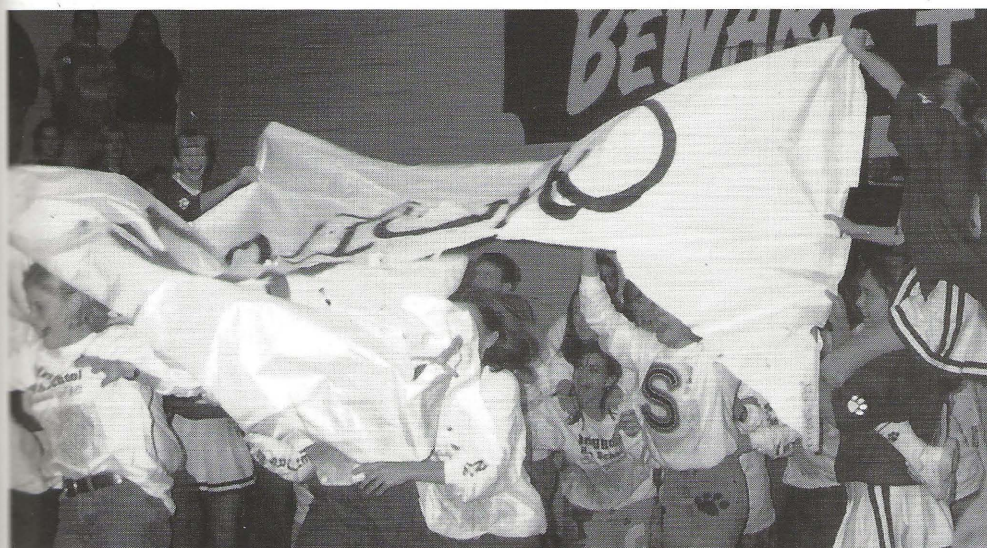

If you could go back in time, where would you go?

■To the time of the "Southern belle". A lot of people led very elegant lives. I also love the big dresses. Also seeing "Gone With The Wind" makes you kind of envy the drama.

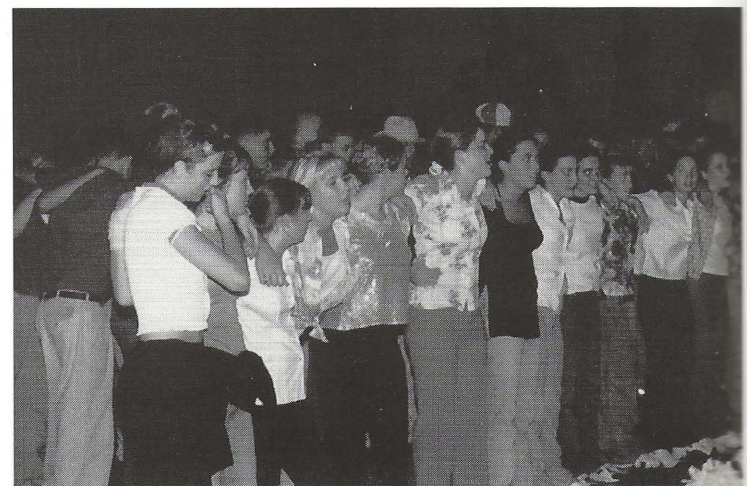

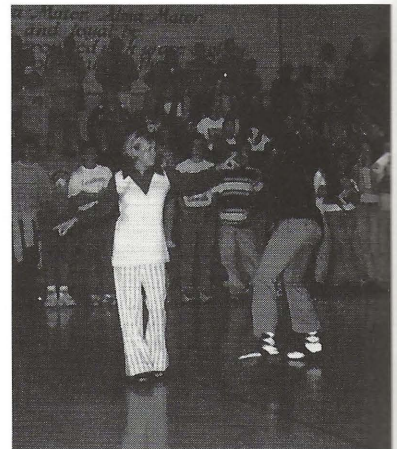

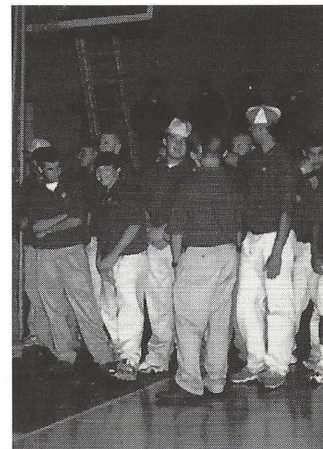

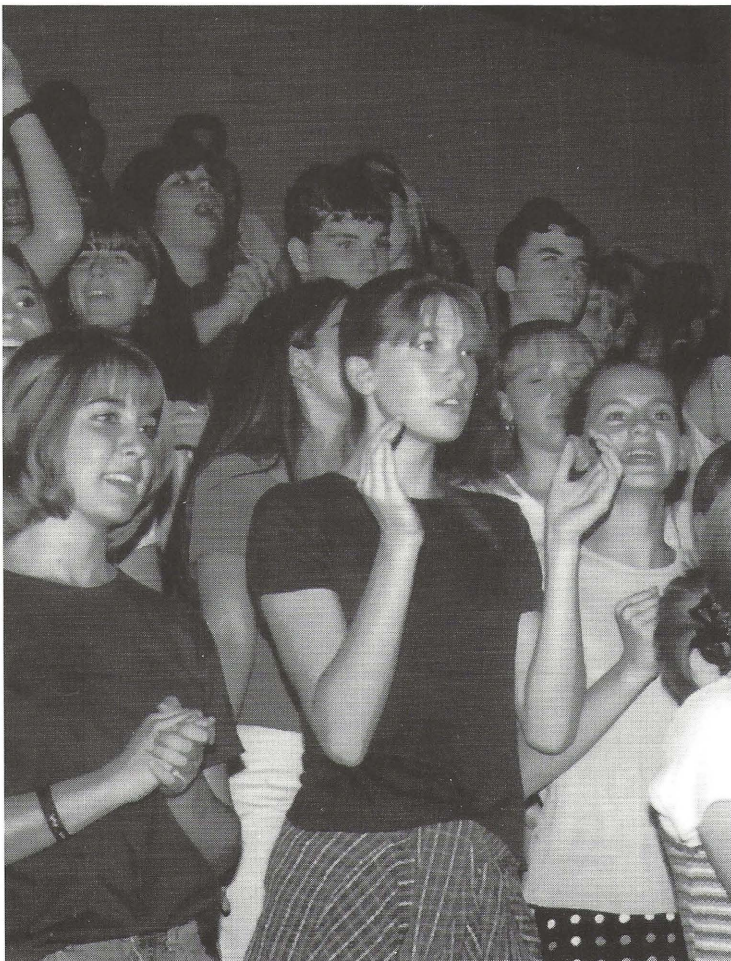

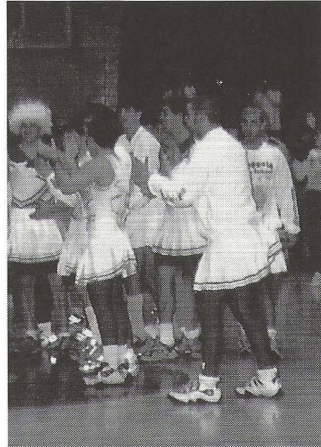

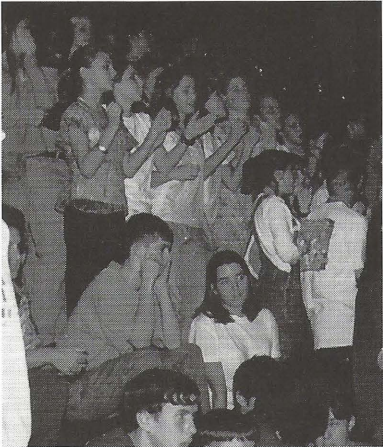

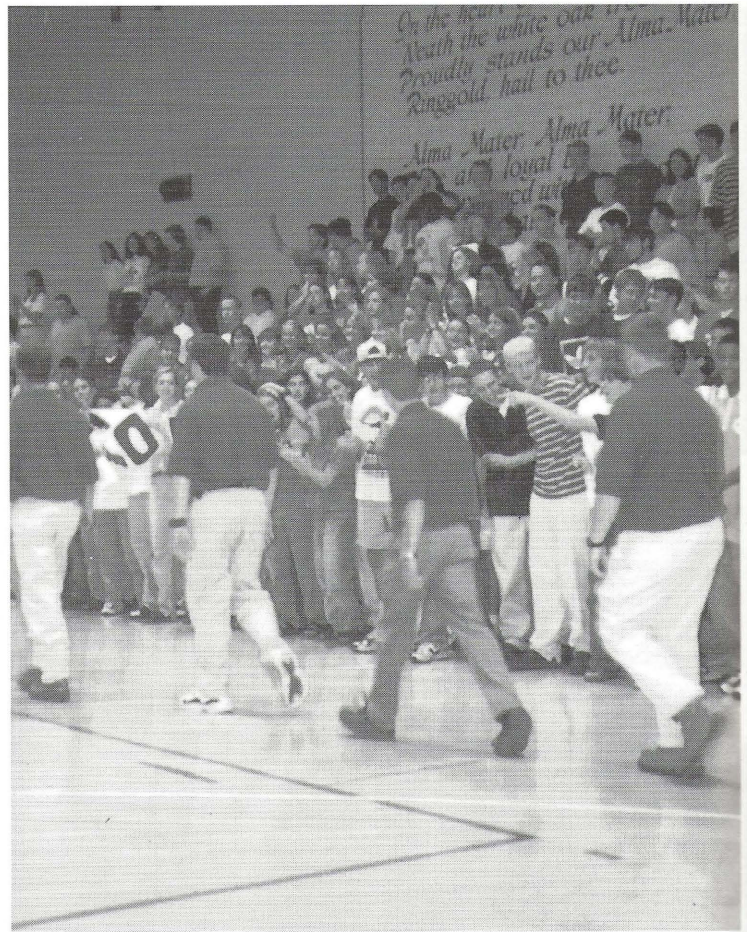

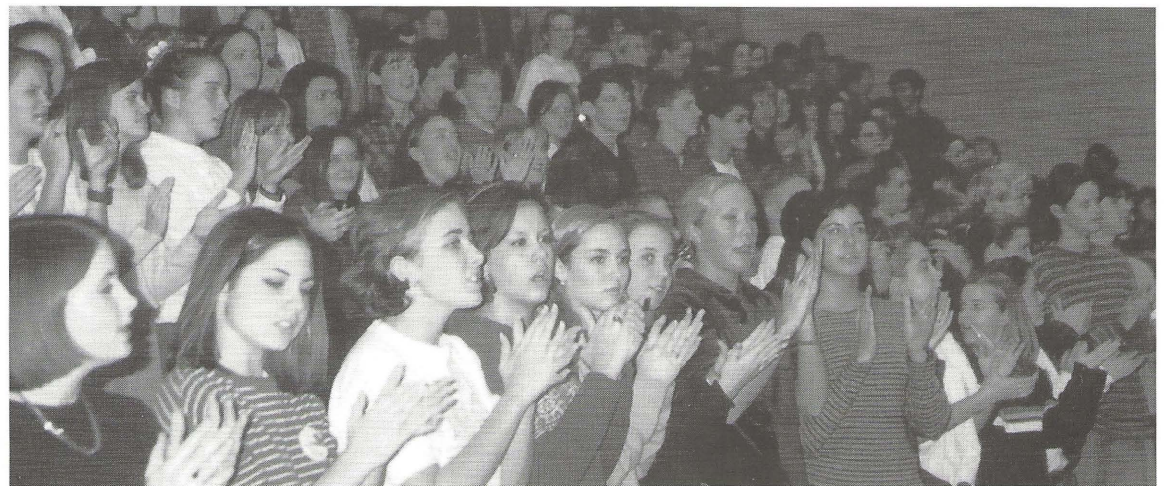

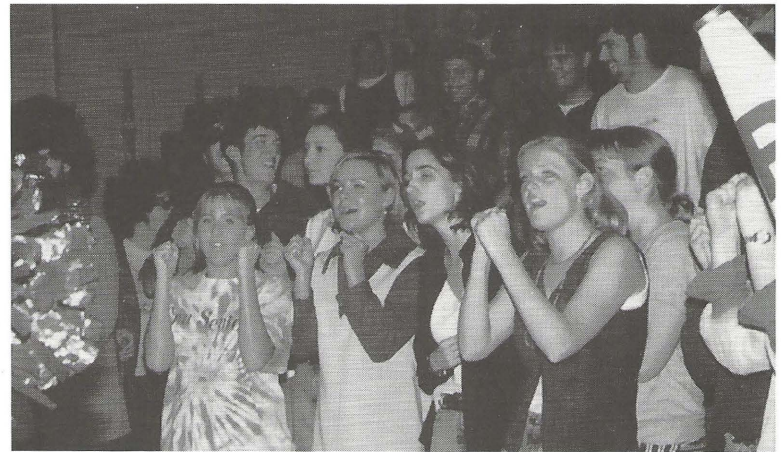

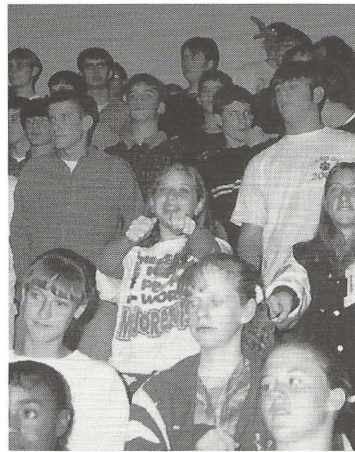

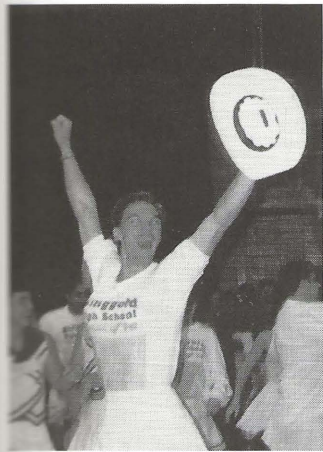

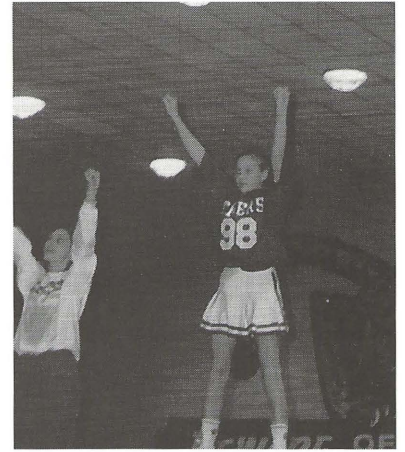

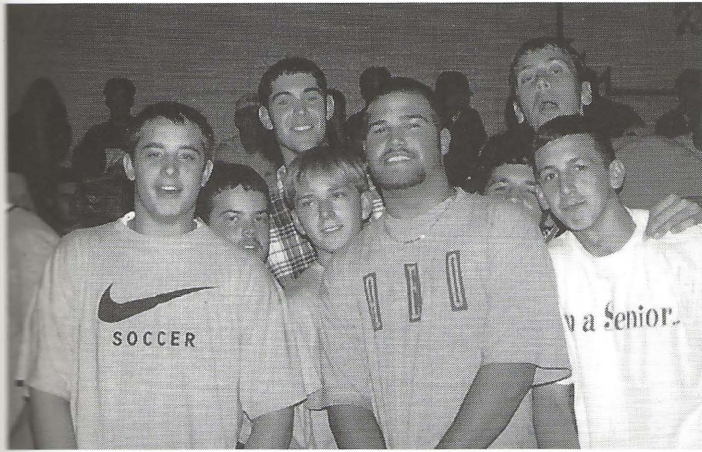

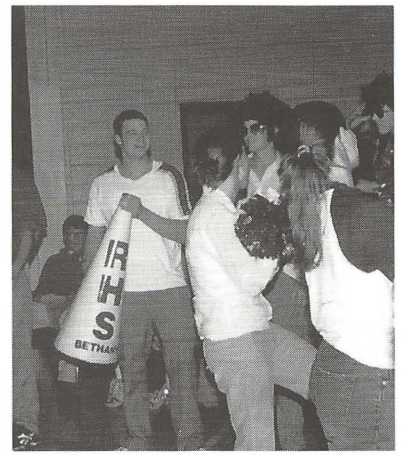

Go Tigers Go!!

Pep rallies are a favorite time that students share. They love this time to unwind and help support their team.

We have the
spirit and it
shows during
our pep
rallies!

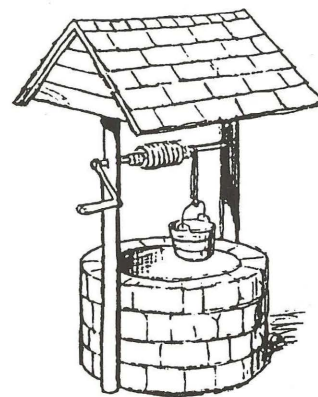

Do you ever wish you could be someone else?

■No. I know that if I was someone else I would also have their problems even if I lost my own.

VALENTINE'S DAY

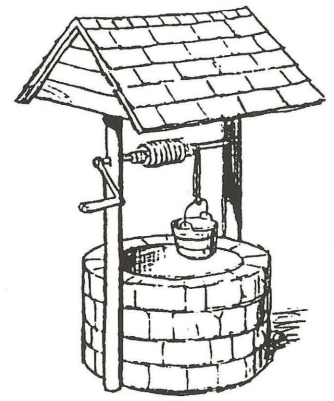

A cafeteria full of flowers fulfill lots of wishes on the day of love.

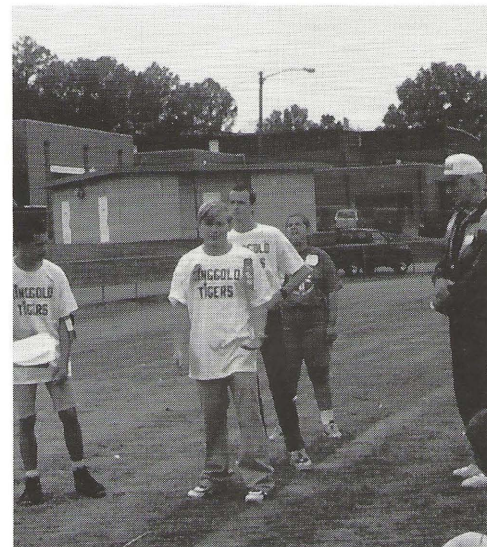

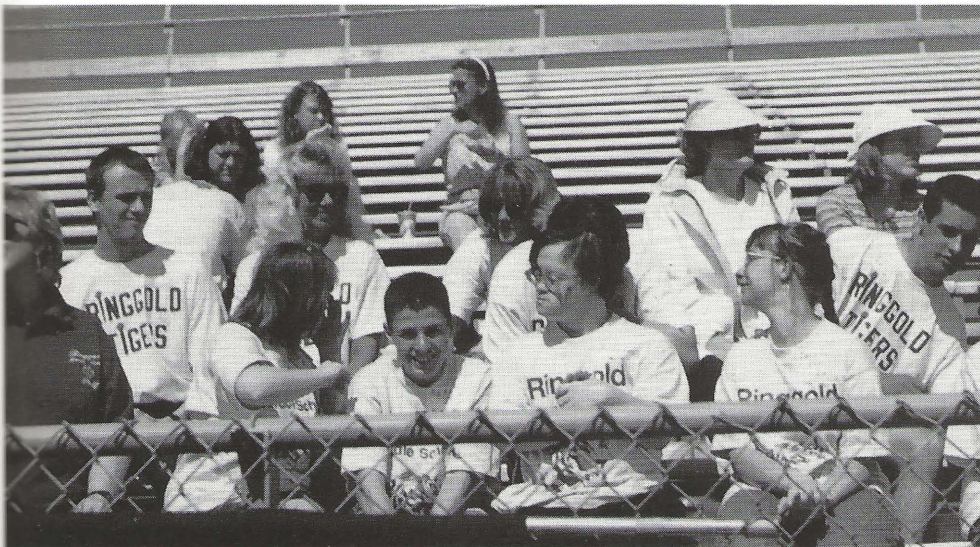

What job do you wish you could have?

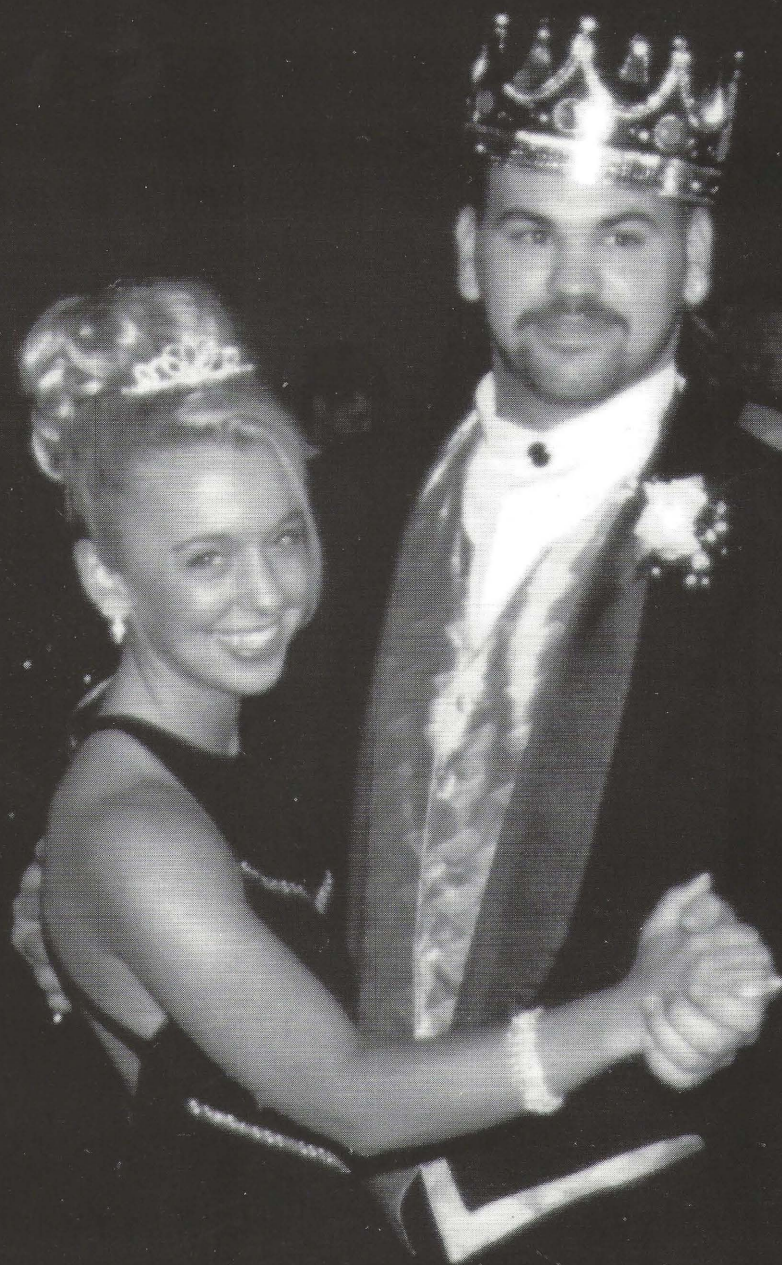

- I wish that I could be an interior decorator, teacher, or computer programmer.

SPECIAL OLYMPICS

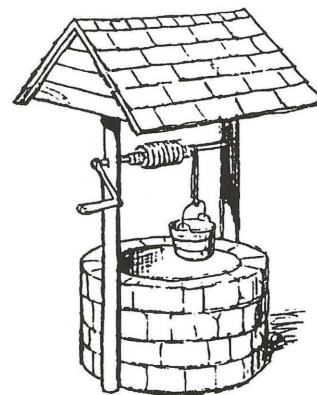

The Ringgold Tigers gave it their best at this year's Special Olympics. They were victorious many times. Not only did they work hard, but they had fun as well. Each athlete demonstrated the true spirit of Special Olympics... "Let me win and if I can't win, let me be brave in the attempt." We are extremely proud of our RHS Special Olympians!!!

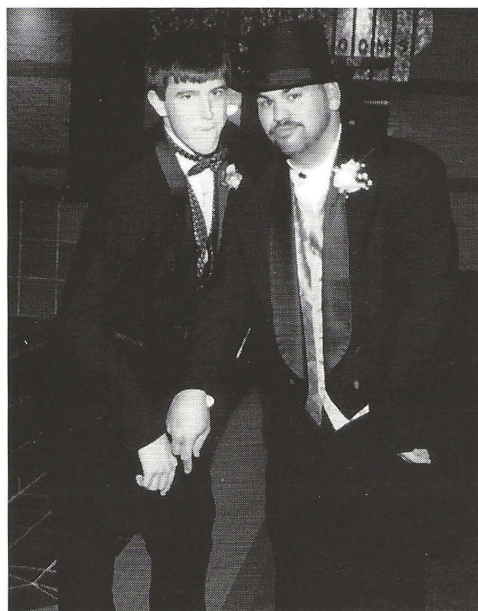

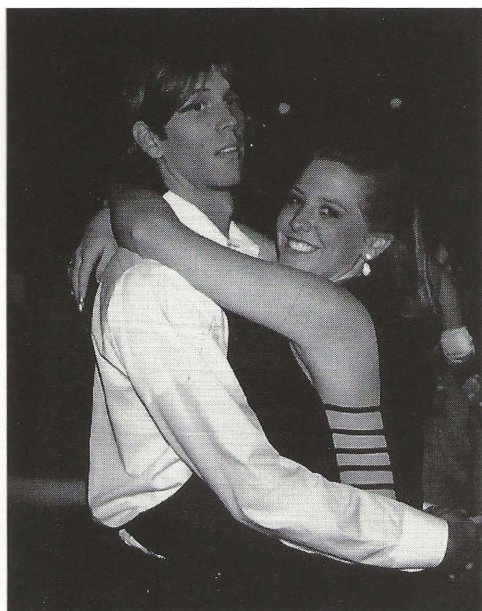

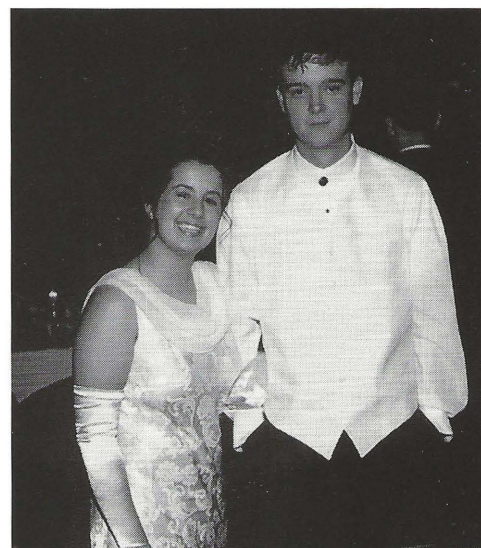

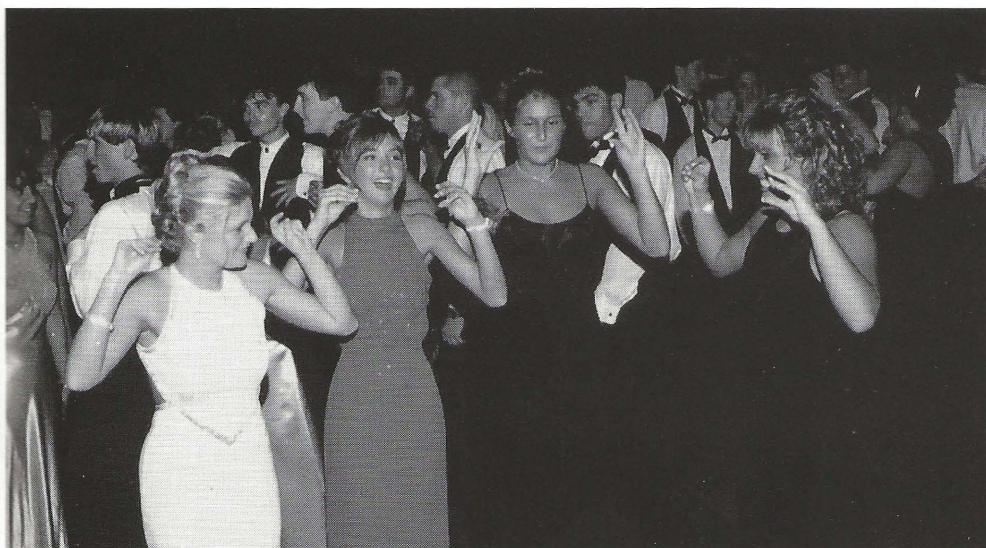

If you could go back in time, where would you wish to go?

- To the 70's because I like the style and the way things were.

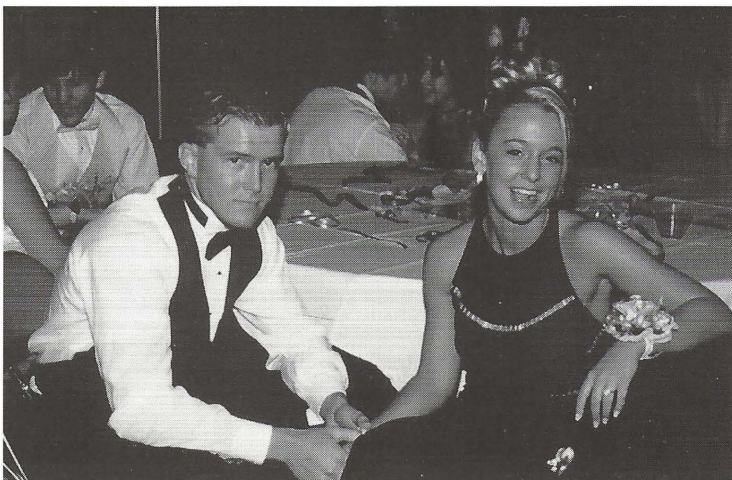

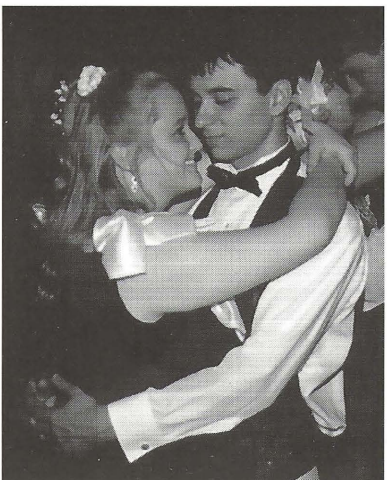

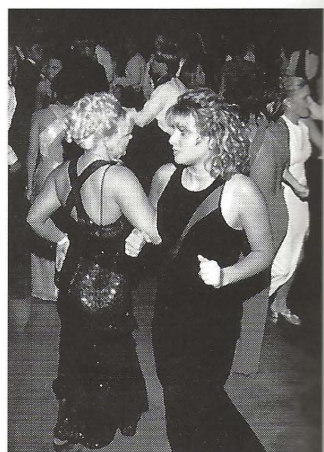

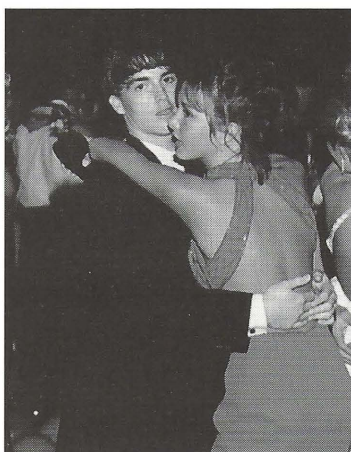

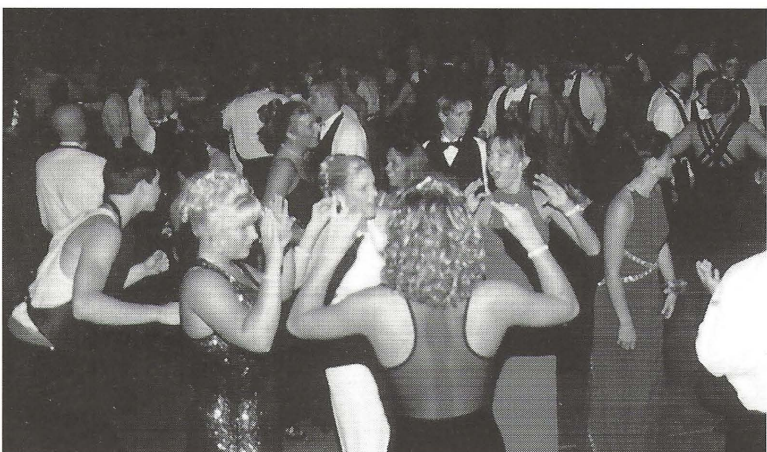

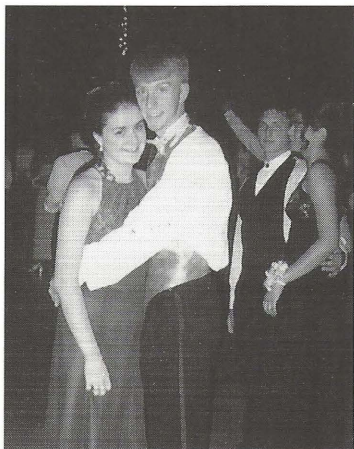

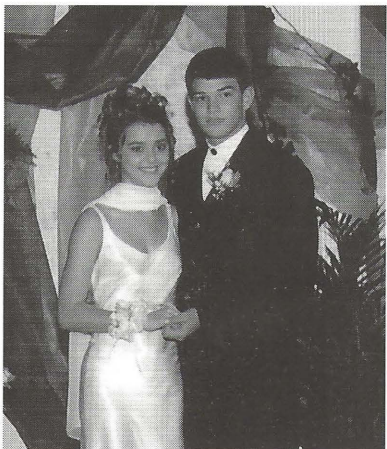

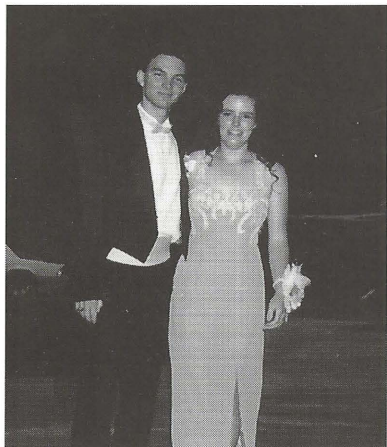

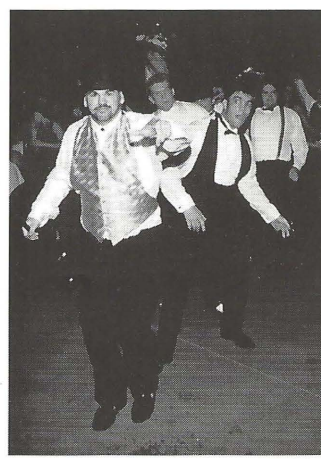

LOVE ME, LOVE ME NOT

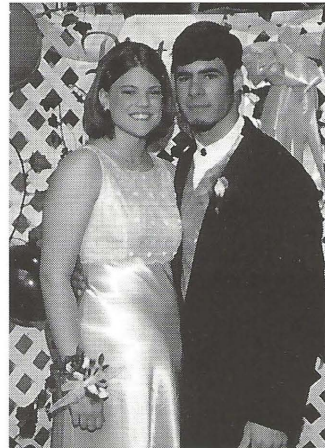

April 18, 1998 was a night that many will remember. The theme of the prom was "Love Me, Love Me Not". As the song "My Heart Will Go On", from the "Titanic" soundtrack was played, couples held each other closely as they danced the night away.

In spite of an uninvited guest (the tornado which was headed right for Dalton), the evening was truly what wishes are made of.

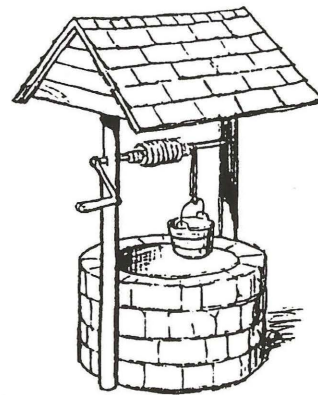

It was a night of beautiful young ladies and handsome young gentlemen. A night where everything was picture perfect and smiles covered everyone's faces.

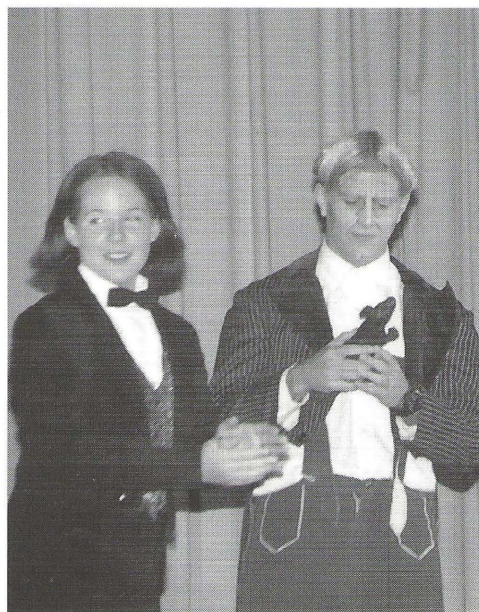

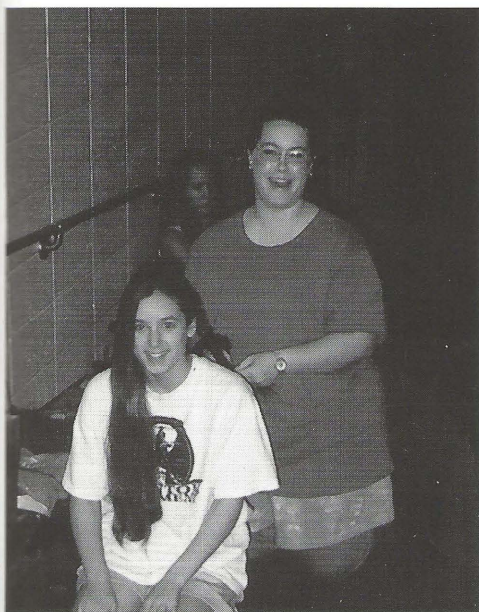

What pick-up lines do you wish worked for you?

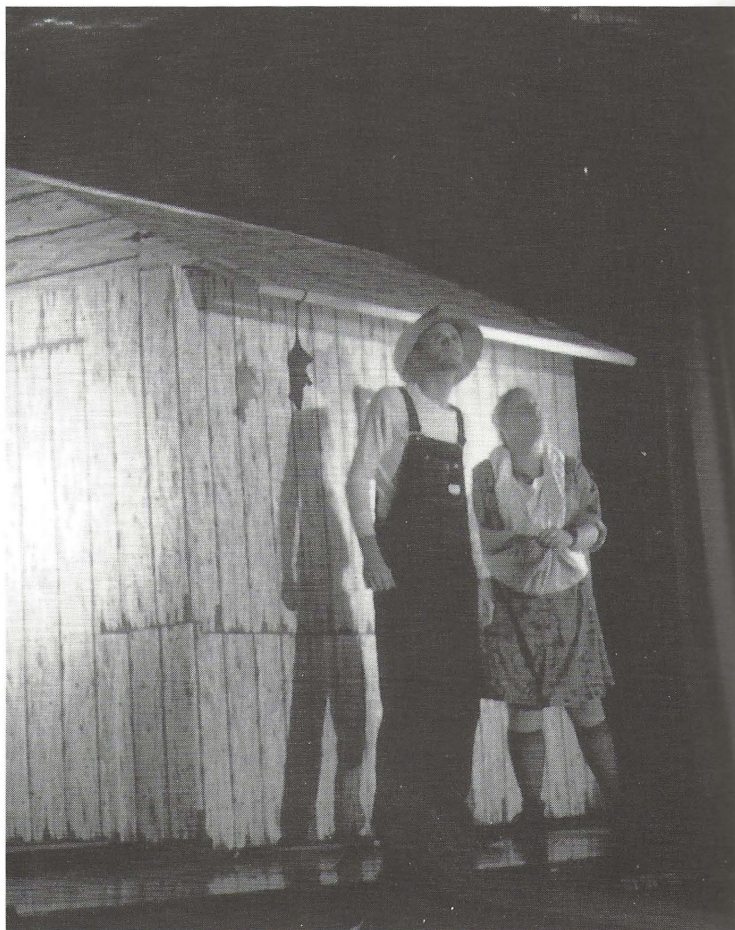

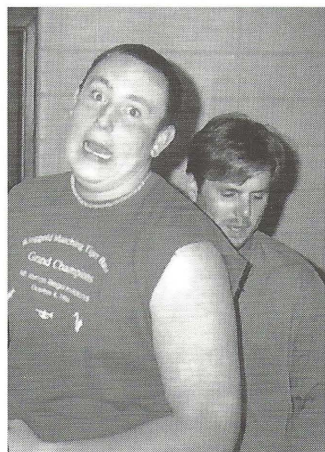

■ "Baby, you must be tired because you've been running through my mind all day."

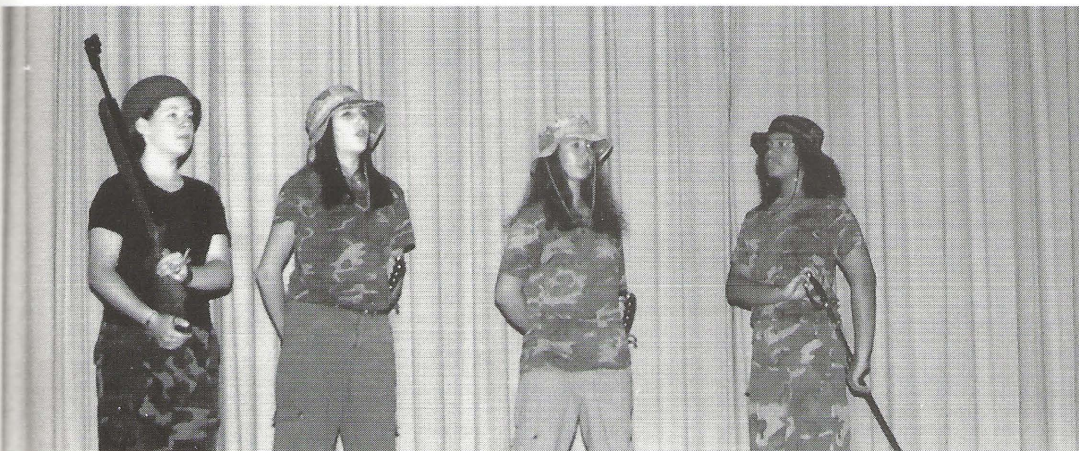

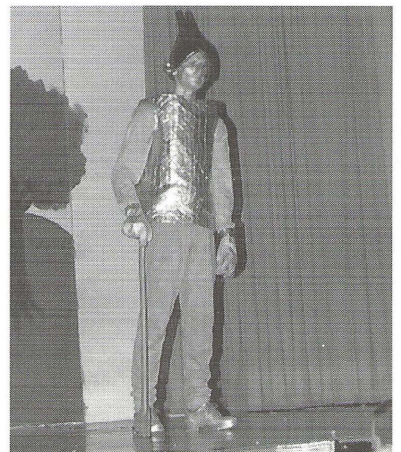

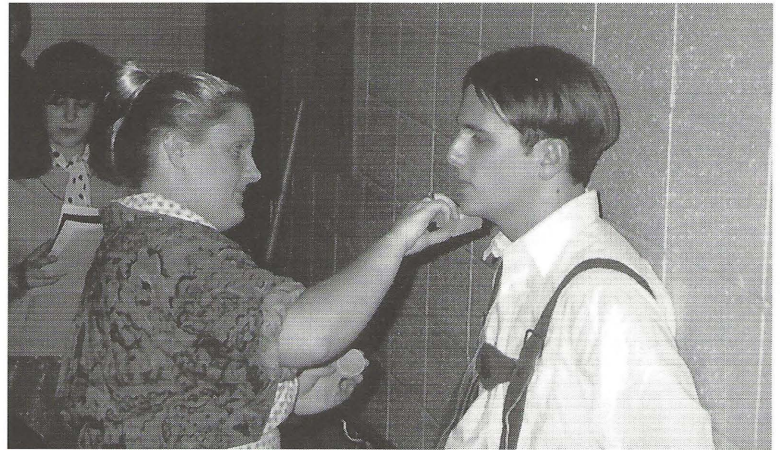

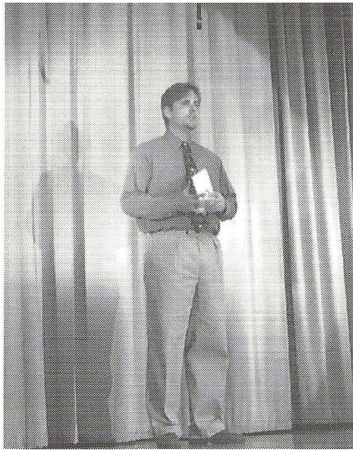

WE'RE OFF TO SEE THE WIZARD

A wonderful night of fantasy was presented by the chorus as they did "The Wizard of Oz". You could feel the wind blow as the house was shaken and blown into the merry old land of Oz. Small children were scared by the Wicked Witch of the West. And we all enjoyed the antics of the lovable Scarecrow. It was one night when you were glad that you "weren't in Kansas anymore".

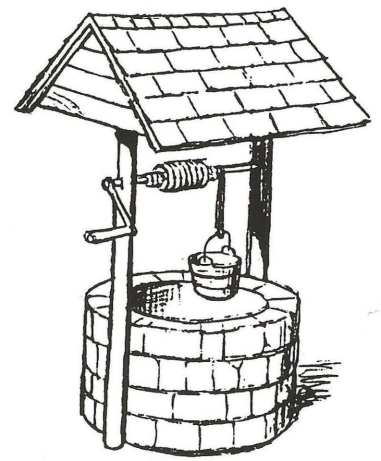

What do you often wish for?

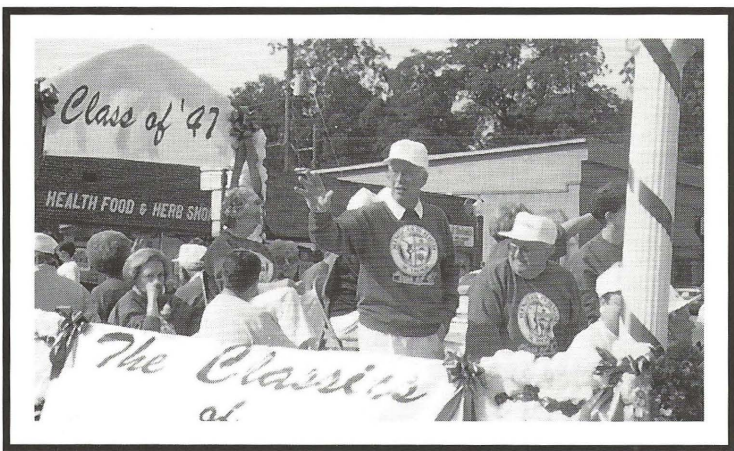

Success. I want to take what I have and make it better, so that I may live comfortably.

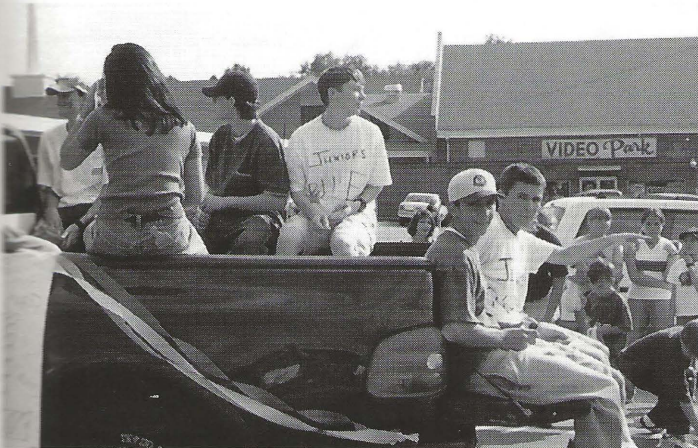

Wishes Come True at Homecoming

Spirits run high and everyone eagerly waits to see who will be crowned Homecoming Queen. It all begins with a parade, continues with the passing of the crown, then a great football game, and finishes off with the dance. Homecoming '97 was about all we could wish for.

My wish for the future is to be happy and healthy.

If I could have one wish, it would be to play in a band and become famous.

One thing I wish I could change about school is to be able to leave at lunch.

My wish for my future is to have a happy life and not be worthless.

If I could have one wish, it would be that I could give food to all the hungry people around the world and medical care for all the sick children.

I wish I could have a job hooking up stereos.

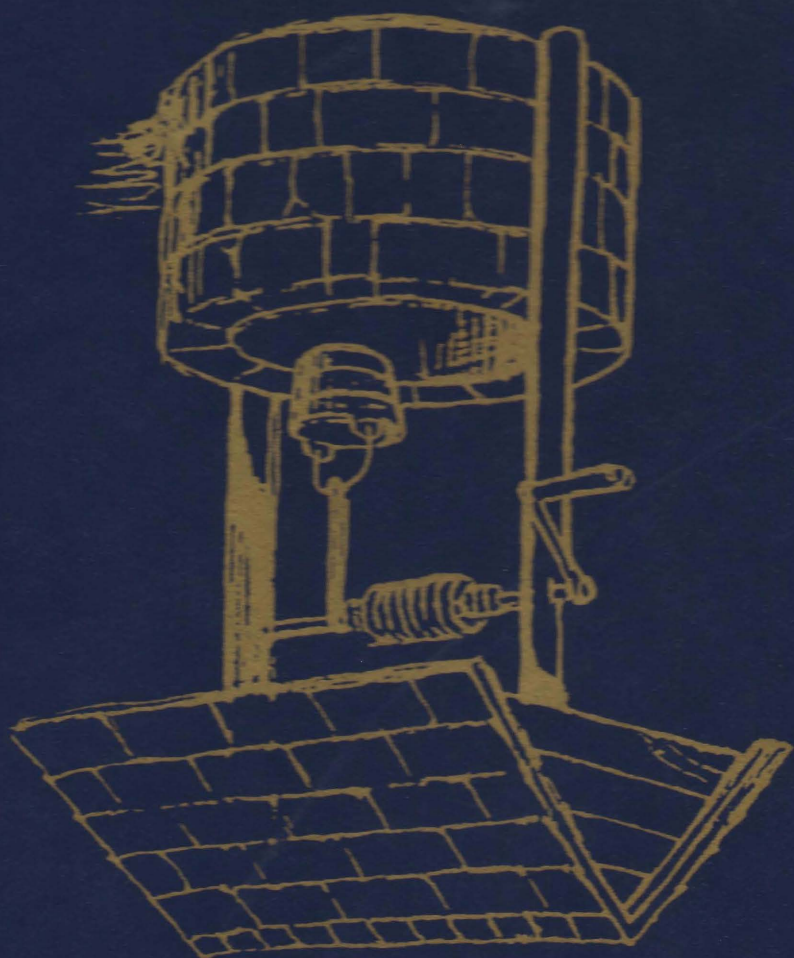

The job that I wish I could have is an easy one that pays alot.

I wish I could go back in time to the Victorian Period so I could wear all those neat dresses.

One person I wish I could meet is Steven Curtis Chapman because he is one of my role models.
